CSC COMMITTEES | CSC

Using an open-ended, case study approach, we sought to examine academic and student affairs models of success at a historically Black university. Our findings address the ways in which coordination and collaboration—between academic affairs and student affairs—aid in fostering students success, retention, and degree attainment. Our findings are particularly relevant for under-resourced ...

Getting to Know: Academic Affairs

This research project explores the nature of collaboration between academic affairs and student affairs in the community college setting, an area frequently left out of the collaboration conversation.

Student Affairs Partnering with Academic Affairs

Although the traditional literature about student affairs assigns student affairs professionals the responsibility of students' social and emotional development and faculty responsibility for the intellectual development of students, it has become apparent in recent years that the academic side and student affairs side of campus must work together (Bloland et al, 1996; Kuh et al, 1994; Kuh, 1996).

Student and Academic Affairs Collaboration: The Divine Comity
