It will probably include seeking the permission of national government, local government, and individuals. Cultural anthropologists must always put the welfare and interests of research subjects before their own research. Part of the challenge in making ethical decisions is the fact that anthropology has always been an activist discipline. E. B.

Cultural anthropology | Britannica

In contemporary cultural anthropology, the theoretical positions of the cultural materialists and the interpretive anthropologists correspond to two different definitions of culture. Cultural materialist Marvin Harris defines culture as the total socially acquired life-way or life-style of a group of people, a definition that maintains the emphasis on the holism established by Tylor.
