It has led to great developments through exchanges of ideas and technologies and has also caused deep conflicts within and among nations in different ways.

Globalization and Cultural Conflict in Developing ...

Culture is a dynamic force for change rather than a rigid set of forms or parameters that must be strictly adhered to. As the World Commission on Culture and Development (WCCD) noted, a society's culture is neither static nor unchanging but rather is in a constant state of flux, influencing and being influenced by other world-views and expressive forms.
