Step Van: Flowers

Fruits: Fruit growing is a popular hobby for many gardeners. There are a variety of fruit bearing trees, vines, bushes that do well in central Texas. Success with fruit growing depends on careful attention to several key factors. Fruit producing plants need full sun exposure, good drainage, good soil depth and supplemental water and nutrients.

Step Van: Flowerrs - blogspot.com

For only a few dollars and one row in a sunny place, you can grow flowers to cut until the fall frost kills the plants. Annuals such as zinnias, marigolds, and small types of sunflowers are easy to grow for a full season of cut flowers for you to enjoy. Buy seeds of flowers that will produce stems long enough for easy cutting and arranging.
