picked to act.

You can search for a specific title or browse by genre (books in the same genre are gathered together in bookshelves). It's a shame that fiction and non-fiction aren't separated, and you have to open a bookshelf before you can sort books by country, but those are fairly minor quibbles.

D-Link Support Resources

Still, for an older model, the D-Link DSL-2740B carries its weight surprisingly well. The 270mbps Wi-Fi range is just short of the usual 300 that previous-era routers come with. The design isn't nearly as blocky or uninspired as some of D-Link's other models. And, to top it off, the thing comes with its own range booster. You heard us right.
