Daily life in ancient China changed through the centuries but reflected these values of the presence of the gods and one's ancestors in almost every time period. In the prehistoric age (c. 5000 BCE) people lived in small villages in the Yellow River Valley.

Daily life in China : on the eve of the Mongol invasion ...

China loves Westerners so much that they're building entire replicas of European and American towns right on their own turf. In my city, there are currently plans for at least two Italian-style towns full of luxury villas, despite the fact that no one will ever live in them. But that's not a new problem in China.
