Books by Margaret Atwood (Author of The Handmaid's Tale)

Oryx and Crake is a 2003 novel by Canadian author Margaret Atwood. She has described the novel as speculative fiction and adventure romance, rather than pure science fiction, because it does not deal with things "we can't yet do or begin to do", yet goes beyond the amount of realism she associates with the novel form. It focuses on a lone character called Snowman, who finds himself in a bleak ...
