The complexity of the plot is as it should be in a book whose main theme is storytelling. Indeed there is a hint that the main narrative is actually being told as a story at the Swan, rather than being the subject of the book itself. Once Upon a River has similarities with the author's first novel, the Thirteenth Tale.

In the novels of Thomas Hardy there is a pessimism that may be taken as a corrective of bourgeois Panglossianism—the philosophy that everything happens for the best, satirized in Voltaire's *Candide* (1759)—since the universe is presented as almost impossibly malevolent. This tradition is regarded as morbid,...
