Kastenbaum taught the first regularly-scheduled university course on death and dying and came up with the first textbook (Death, Society, & Human Experience, 1977). He also established the first university-based educational and research center on death and dying (Wayne State University, 1966).

### **Death, Society, and Human Experience 12th edition ...**

The landmark text in death education, providing an interdisciplinary approach to understanding death and the dying process. Using case examples and exercises, students can reflect upon their own experiences with death. I have found no better text on the market that deals as fully and as completely with issues of death as Kastenbaum's Death, Society, and Human Experience.
