Decoding is the ability to apply your knowledge of letter-sound relationships, including knowledge of letter patterns, to correctly pronounce written words. Understanding these relationships gives children the ability to recognize familiar words quickly and to figure out words they haven't seen before. Although children may sometimes figure out some of these relationships on their own, most ...

Unraveling and Decoding WaPo ICE 'Church Arrest' Story

Saying a home has potential is a lot like saying: "This house may need a little bit of a face-lift before you invite your in-laws over for dinner." The home has the potential to be a nice, livable space, but at the moment, it's not. This and the descriptors "fixer-upper" and "opportunity" mean the same thing. But that's not always a bad thing.
