Samba books. There are now quite a number of books becoming available for Samba and we, the Samba Team, felt that it would be useful if a list of them was made available on the Web site. The following lists all the books we are aware of in chronological order. If you are aware of any books that we have not listed, please send us information on ...

### **Updating Samba - SambaWiki**

The Definitive Guide to Samba 3 My twelfth book, The Definitive Guide to Samba 3, is, as you might guess, a book on version 3.0 of Samba. Unlike my previous Samba book, Linux Samba Server Administration, which covers Samba 2.0, this new book describes Samba and its operation on multiple OSs, including Linux, FreeBSD, MacOS X, and others.
