Degremont - Water Treatment Handbook - Lenntech

Early life and career.

Gilbert Degrémont was the grandson of Aldebert Degrémont, head of a mechanical construction workshop in Le Cateau, in the north of France from 1870 until the early 20th century. In 1904, Aldebert retired, leaving the business to his son Émile, who had created his own company, Établissements Émile Degrémont, focusing on water treatment for the industry.
