authorized service provider. See Chapter 5, "Removal and replacement procedures for Customer Self-Repair parts," for details. Accessing parts described in Chapter 6, "Removal and replacement procedures for authorized service provider parts," can damage the computer or void your warranty. iii

Dell Laptop Maintenance Service Guide

When you are using your laptop, do so in a place that has a constant air-circulation. Lots of people ruin their laptop by using it in an enclosed area and thus making the laptop overheat. It also helps if you store it in a well-circulated area. Ensure that the vents on the laptop are clear and are not blocked because of where you have it sitting.
