outlines the following six-step decision-making model.

1. Identify the ethical dilemma or problem;

Ethics And Law In Dental Hygiene Practice

The ADA Code is an evolving document and by its very nature cannot be a complete articulation of all ethical obligations. The ADA Code is the result of an on-going dialogue between the dental profession and society, and as such, is subject to continuous review. Although ethics and the law are closely related, they are not the same.
