Discussing Act.1 Scene 7 of Macbeth

Because of the deep background inequality of power resulting from their structural position within a capitalist economy, workers accept a pattern of economic transaction in which they submit to the direction of capitalists during the activities of production, and surrender to those same capitalists a disproportional share of the fruits of their ...

Institutional racism, also known as systemic racism, is a form of racism that is embedded through laws within society or an organization. It can lead to such issues as discrimination in criminal justice, employment, housing, health care, political power, and education, among other issues. Institutional racism has harmful effects on people, especially on students in school where it is prominent.
