### **Ian McHarg - Wikipedia**

Ian McHarg's Design with Nature has garnered a great deal of notoriety in the fields of both landscape architecture and conservationism. Taken as a whole, the prose can be lofty and is, in certain parts, somewhat dated (having never been updated), but generally it is both detailed and philosophical: a kind of walk through the woods with Ian McHarg.

### **The Legacy of 'Design With Nature' 50 Years Later - CityLab**

Ian Lennox McHarg (1920–2001) experienced the transition between adolescence and manhood as a warrior. He entered the Second World War as a lanky teenage private. He left military service after the war as a confident major in command of one of Britain's most elite combat units. Before the war, he was a child of the Great Depression in industrial Glasgow, Scotland.
