The Institute is a public charity and non-profit organization that will operate out of New York City. Gehl Institute shares the same ambition and vision as Gehl – that cities are truly made for people and the needs of people should be at the center of planning, design and the making of our urban environment.

Places for People - FOL

Crucial here is the notion that people with specific sensory needs — blind, deaf, autistic or otherwise — want and deserve high-quality design beyond basic functional need. This is particularly evident at the LightHouse for the Blind and Visually Impaired, a 3,511 sq m multipurpose facility in downtown San Francisco, completed in 2016 by Mark Cavagnero Associates.
