The National Study of Youth and Religion is a research project directed by Christian Smith, Professor in the Department of Sociology at the University of Notre Dame and Lisa Pearce, Assistant Professor of Sociology at the University of North Carolina at Chapel Hill. This project, generously supported by Lilly Endowment Inc., began in August 2001 and is currently funded through December 2013.

Faith and Moral Development // Youth and Religion ...

The development of the brain is a life-long process. Indeed, recent research suggests that the brain is capable of changing throughout the lifespan (Crawford , Pesch, & von Noorden, 1996; Jones, 2000; Keuroghlian & Knudsen, 2007), although perhaps not in all ways (e.g., humans do not "learn" to see or hear better as they age). However, the ...
