impending assassination
in this pivotal scene.

What makes it especially important is Caesar's reaction. Caesar brushes off the soothsayer's words and doesn't give them a second thought. With his ego so inflated, Caesar is unable to recognize a warning when it is blatantly given to him.

A dialectical journal is a journal in which students use a two-column format to focus at length on specific passages or patterns of language in an author's work. For Oedipus , we will be teaching students to read using direct, on-text annotation as a first read, and then create a longer response in their dialectical journals in
