A key insight of this approach is that shared display of the dialogue map promotes shared understanding of and commitment to the collective result. In the first part of Dialogue Mapping, Jeffrey Conklin introduces the key concepts: Wicked problems: for which you don ' t really understand the problem until a

Understanding Of

Wicked Problems

As it says on the cover Dialogue Mapping is a way to build shared understanding of wicked problems. I've only had one chance to use the tools explained in the book and even though I did all the thinking (rather than in a group session as the process is designed for) the resulting map enabled me to communicate my
