programming, fiction and many other books. No registration is required to download free e-books.

Dictionary Ecology Evolution Systematics Oxford

The gyrfalcon (/ ʒ dʒ ʳ ʃ (l) k ʌ n / or / ʒ dʒ ʳ ʃ æ l k ʌ n /) (Falco rusticolus), the largest of the falcon species, is a bird of prey. The abbreviation gyr is also used. It breeds on Arctic coasts and tundra, and the islands of northern North America and the Eurosiberian region. It is mainly a resident there also, but some gyrfalcons disperse more widely after the ...

Gyrfalcon - Wikipedia

Taxonomy, systematics, and evolution. The genus Casuarius was erected by French scientist Mathurin Jacques Brisson in his Ornithologie published in 1760. The type species is the southern cassowary (Casuarius casuarius). The Swedish naturalist Carl Linnaeus had introduced the genus Casuarius in the sixth edition of his Systema Naturae published in 1748, but Linnaeus dropped the genus in the ...
