Elementary Praxis Content Exam: Comparison of 5018 and ...

Difference between PRAXIS 5001 and 5014? Hi! I'm studying in NJ to become certified to teach elementary school. I need to pass the PRAXIS II 5001 (multiple subjects). Went to my local library and picked up a praxis study book, but it's for content knowledge 5014, will this help me at all? I'm googling and can't find anything about 5014.

The Difference Between Praxis Core and Praxis I (PPST)

The primary difference between the old and new elementary test adopted by Colorado is that 5018 is a compensatory model, while the 5001 series requires a separate passing score for each sub-test. If test-takers do not pass a given sub-test within the newly adopted Elementary Praxis (5001) exam, they would only need to re-take the sub-test they did not pass, rather than the entire exam.
