Why is Chegg Study better than downloaded Digital Signal Processing 4th Edition PDF solution manuals? It's easier to figure out tough problems faster using Chegg Study. Unlike static PDF Digital Signal Processing 4th Edition solution manuals or printed answer keys, our experts show you how to solve each problem step-by-step.

I've been reading this book to refresh my memory on digital signal processing. It is a good book, lots of theory in there, however it is a bit dry in its explanations, there are a lot of results (for example the value of a certain number series) that just are presented out of the blue while the reader scratches his head trying to come up with the missing steps.
