The maps of disappearing Palestine Anyone who deals with the Israel-Palestine conflict will probably have come across the nasty four-map series purporting to show how Israel is eliminating Palestine step by step. Recently some fellow in the NY area hired space on local billboards to expose them to commuters.

Disappearing Palestine 1948-1967 - PALESTINIAN HISTORY ...

Another Jew/ Zionist has written this about our "Disappearing Palestine" Map: "There are various problems with the series, the most obvious being that it compares apples with oranges and also with screwdrivers, meaning that the different maps present different data-sets. Some of the data-sets themselves are inaccurate.

Disappearing Palestine

The "disappearing Palestine" maps shrewdly misrepresent the word "Palestine," which until 1948 was a territory ruled by Great Britain. This is why from 1917-1948, people dwelling in Palestine – both Jews and Arabs – were given certificates identifying them as Palestinians.

Disappearing Palestine - PALESTINIAN HISTORY TAPESTRY

Israel's calculated strategy for "disappearing" Palestinians and forcibly transferring them to suit Israel's self-centered desires tramples on Palestinians' human rights and defies international law. Israel insists that only the laws of war apply to Palestinians, not human rights laws.

Jonathan Cook: Journalist reporting on Israel and Palestine

Palestine is disappearing - fulfilling the objectives of Israel's founding fathers. This book exposes the dismal failure of the Israeli left, human rights organisations and the global media to hold Israel to account. It is a controversial analysis of one of the conflicts in contemporary world politics.

The Disappearing Palestine Map Normally, Scripture Solutions focuses on biblically related topics. But since Christian denominations like the Presbyterian Church of the USA has delved into the Israel bashing business, this website must respond to these Christian attacks on Israel's legitimacy.

Disappearing Palestine | Boycott Israeli Goods

Disappearing Palestine, on the other hand, could almost be called an accidental book. A publisher had proposed that I edit a volume of my journalistic writings. I was slightly unsure about the idea but decided it might be useful if the material was preceded by a substantial introduction connecting and developing the ideas in the selected essays.
