***What Causes Addiction? -  
Addiction Treatment Centers  
As a result, the abuser loses control  
over the act of taking a substance  
or engaging in an activity. This has  
led to the idea that in order to cure  
an addiction, abstinence-- total  
discontinuation of substance use or  
behavior -- is necessary. Under the  
disease model of addiction, the  
brain's motivational center  
becomes reorganized.***
