Daring's mind raced with everything she could do to get out of this. With the massive bounty on her head in this country, there's no way she could talk this griffon out of it, and with how fast she put an arrow into her and had her talons on Daring, there was no way she could beat her in a fair fight.

(PDF) Book Review: Do no harm: Stories of life, death and ...

I had noticed the same phenomenon with my mother during the last few days of her life. When faced by people who are dying you are no longer dealing with the rational consumers assumed by economic model-builders, if they ever existed in the first place." – Henry Marsh, Do No Harm: Stories of Life, Death and Brain Surgery.
