There may have been an issue with downloading the book and in this manner the book won't open. Try erasing the title from the gadget and restart it. On the other hand attempt to download the book and this may solve your issue. Follow these methods to download the book once more. 1.

### **Do Not Open This Book**

"Do not open this book", by Michaela Muntean was a very differently styled picture book to what I am used to reading. The beginning started out with the main character, a pig, telling the reader not to open the book. What caught me off guard at the start of reading the book was how personal the pig got to the reader.
