### Review of Doctor Who: Plague City by Jonathan Morris

An epidemic averted in Manchuria - Jeremiah Jenne In the winter of 1910, Dr. Wu Lien-teh stepped onto a frigid train platform in the northern Chinese city of Harbin. He was there to solve a medical mystery, at great personal risk. Over the past few months, an unknown disease had swept along the railways of Manchuria, killing 99.9% of its victims. The Qing Imperial court had dispatched ...

### Plague City - The RuneScape Wiki

A plague doctor was a medical physician who treated victims of the bubonic plague. In times of epidemics, these physicians were specifically hired by towns where the plague had taken hold. Since the city was paying their salary, they treated everyone: both the wealthy and the poor. However, some plague doctors were known to charge patients and their families additional fees for special ...
