*Companies today are rushing  
headlong to become more  
digital. But what does  
digital really mean? For  
some executives, it's about  
technology. For others,  
digital is a new way of  
engaging with customers. And  
for others still, it  
represents an entirely new  
way of doing business. None  
of these definitions is  
necessarily incorrect.*
