opposite of the above complex and expensive methods, making it super easy and low-risk as possible that leaves you with no excuses for not taking action and making money.

The Ultimate Guide To Ebay For New Sellers

While eBay is massively dominant, eBid is a decent-sized alternative. The advantage of using it is that it charges sellers less than eBay, which means some prefer it. On the downside, your auctions are likely to get less exposure than they would on eBay, so could get fewer bids and, ultimately, earn you less money.
