DOOR OF THIN SKINS by Shira Dentz
| Rattle: Poetry

Because door of thin skins is
chronologically kaleidoscopic, it ' s
difficult to parse exactly when Dentz
suffers a spontaneous detached retina.
It seems to be at a time when Dr. Abe
verbally abuses her, criticizing her
harshly for not being attracted a guy
named Seth with whom she is in a
quasi-relationship.

Door - Wikipedia

A door skin is simply a sheet of 1/8-inch wood veneer, and attaching it to the door is similar to attaching wood veneer to a tabletop to any other flat surface. You need a strong adhesive, and although you may find a good water-based one, many are petroleum-based and require plenty of ventilation.
