We are studying human anatomy this year, using volume two of Sassafras Science. My daughter is very fascinated with learning about the human body systems and we have been watching some educational TedEd videos on Youtube. Just today when we were studying about the digestive system, their free digestive system video explained how the digestive system works in a way that was easy to learn (I wasn't ...

The Language Of Medicine, 11e PDF

When it comes to providing students and teachers in nursing, medicine, and the health professions with the educational materials they need, our philosophy is simple: learning never ends. Everything we offer helps students bridge the gap between the classroom and clinical practice,

while supporting healthcare professionals in their jobs.
