### [2019] CliffsNotes AP Biology 3rd Edition Review

A major difference between an Advanced Placement Program (AP) biology course and a regular high school biology course is the emphasis on detail. One of the areas of concentration that could appear on an AP biology exam is evolution and related processes, such as mutation, natural selection, and genetic drift.

Many students in preparing for the Biology section of the DAT choose to study with CliffsNotes AP Biology. It is recommended to use the Third Edition when using this study guide as it is more relevant to the information covered on the DAT. The more recent Fourth Edition has been updated and is tailored more towards the updated AP Biology Exam.
