**The biology course is  
organized by topics. Both  
standard level (SL) students  
and higher level (HL) students  
study the six core topics. HL  
students study an additional  
five topics, with some of  
these taking the first six core  
topics to greater depth. In  
addition to this, both SL and  
HL students study one out of  
a choice of four optional  
topics.**
