Virginia Human Rights Act

Lesbian, gay, bisexual, and transgender (LGBT) civil rights in Chile have seen remarkable advances in recent years, though LGBT people still face some legal and social obstacles not experienced by non-LGBT Chileans. Both male and female same-sex sexual activity is legal in Chile. Since 2012, the law bans all discrimination and hate crimes based on sexual orientation and gender identity.

Libro - Wikipedia

Introduction. The question of how gender differences arise is a central topic in psychology. Experts agree that nature (i.e., biology) and nurture (i.e., environment) act together in reciprocally causal, interactive ways to produce gender differences. 1 The experiences afforded to girls and boys within schools are known to affect gender differentiation both directly, by providing differential ...
