Create a Picture Using Equations, Inequalities, and/or Systems of Inequalities Create a picture by graphing a variety of equations, inequalities and/or systems of inequalities. You may use: Points Lines Circles Parabolas, Other functions or relations. You must use AT LEAST 10 equations/inequalities in your picture.

HOW TO DRAW MATHS PICTURE

Drawing a picture with equations. Ask Question Asked 4 years, 3 months ago. Active 4 years, 3 months ago. Viewed 1k times 0. 1  $\begingroup$  I have a school project where I have to create an image on my calculator by forming equations. I want to create the Apple logo and have been trying a lot but I can't come up with any equations.

Draw Pictures With Math Equations

Recently I have seen some pictures that could be drawn by some mathematical equations like the Batman Logo and the Heart. Is there a specific way to find the equations which draw a desired picture? (e.g. I want to draw the letter S with some mathematical equations). Thank you. p.s. I guess it is an optimization problem.
