The 2015 Ducati Multistrada 1200S turns the ordinary into the sublime. Transforms the commute into a lap of Cadwell Park. It creates memories from the mundane, and does touring in six-star luxury, even two-up.

Ducati Multistrada 1260: expand your comfort zone

Ducati Multistrada 1200 and 1200S are made with four different riding modes with features to suit them as well. For instance, the suspension of the 1200S is soft, which is an added advantage when riding in Touring mode. Also, the controls on the dashboard are easy to set and reset to suit your riding modes.

6 Typical Problems With Ducati Multistrada (1200 & 1260 ...

The Ducati Multistrada 1200 S is a manic beast. Its sheer ferocity scares you silly and you can feel yourself entering into a time warp, doing insane speeds before you realise what is happening.

Guide to bodywork/gas tank removal for 1200? | Ducati.ms ...

Ducati performed another transplant of the 1198cc Testastretta 11° DS into a well-loved platform. I personally own an 1198 Superbike—though its 1198 has 41° of valve overlap for pure upper rpm performance rather than the Monster's 11° setup—and a Multistrada 1200 with an earlier edition of the 11° Testastretta.

2015 Ducati Multistrada 1200 and 1200S First Ride Review ...

The new Multistrada 1200 Enduro is a different animal, with Ducati having used 266 new or updated parts to turn the bike into something that's more capable as an off-road machine. Ducati staff says that list doesn't include little things like bolts, washers, or nuts either, but rather 266 real, major components.

2019 Ducati Multistrada 950 S Review - First Ride

I bought 'Ace' the Ducati Multistrada 1200S brand new in May 2013 from Ducati Coventry, and since then have ridden over 26,700 miles on it. My previous two bikes were the ballistic Kawasaki ZZR1400 and a rugged BMW R1200GS Adventure - so the Multistrada was hopefully going to be the best of ...

Ducati Multistrada Enduro Touring - Full Termignoni Walk Around

The new Multistrada 1260 truly maximises the concept of versatility: The new 1262 cm³ Ducati Testastretta DVT engine extends powers even in low gear, the new chassis and cutting-edge electronics improve control and ease of driving in any condition and on any road.

2017 Ducati Monster 1200 S Review | Il Mostro Returns

Seems like only yesterday Ducati summoned us to Spain to ride its new 2013 Multistrada 1200 with 11-degree Testastretta engine and Skyhook active suspension. So advanced. So advanced. A scant two years later, that bike is so two years ago.

Ducati Multistrada 1200s Movement Along

Multistrada 1260 /1260 S/1260 S D|Air/1260 Pikes Peak. The new Multistrada 1260 truly maximises the concept of versatility: The new 1262 cm³ Ducati Testastretta DVT engine extends powers even in low gear, the new chassis and cutting-edge electronics improve control and ease of driving in any condition and on any road.
