Social structure - Social structure - Structure and social organization: The term structure has been applied to human societies since the 19th century. Before that time, its use was more common in other fields such as construction or biology. Karl Marx used construction as a metaphor when he spoke of “the economic structure [Struktur] of society, the real basis on which is erected a legal ...

### **(PDF) A Durkheimian Approach to Globalization**

In another example of evolution of culture, Durkheim pointed to fashion, although in this case he noted a more cyclical phenomenon. According to Durkheim, fashion serves to differentiate between lower classes and upper classes, but because lower classes want to look like the upper classes, they will eventually adapt the upper class fashion, depreciating it, and forcing the upper class to ...
