The setting of a story is the environment your characters are in. The location, time, and weather all play major points in a story, and a well-described setting can make it more interesting for your readers to completely immerse themselves in the fictional world you've created. When you describe your setting, use detailed language and have your characters interact with it to engage your readers.

Pusha T - The Story of Addion Lyrics | Genius Lyrics
The single story creates stereotypes, and the problem with stereotypes is not that they are untrue, but that they are incomplete. They make one story become the only story. Of course, Africa is a continent full of catastrophes: There are immense ones, such as the horrific rapes in Congo and depressing ones, such as the fact that 5,000 people apply for one job vacancy in Nigeria.
