Owners Manual

The BMW owner's manual is a highly overlooked reference document. Not only do they serve as a source for routine maintenance information, but they also contain detailed specifications about the vehicle such as overall dimensions, engine specs, performance specs, etc. Listed below are some of the top reasons to keep a copy of your vehicle's owner's manual handy under your ownership.

The BMW E39 is the fourth generation of BMW 5 Series, which was manufactured from 1995 to 2004. It was launched in the sedan body style, with the station wagon body style (marketed as "Touring") introduced in 1996. The E39 was replaced by the E60 5 Series in 2003, however E39 Touring models remained in production until May 2004.
