RAI Info | Board of Regents State of Iowa

The Next Generation Science Standards (NGSS) are K-12 science content standards. Standards set the expectations for what students should know and be able to do. The NGSS were developed by states to improve science education for all students. A goal for developing the NGSS was to create a set of research-based, up-to-date K-12 science standards.

The Smithsonian Institution (/ s m ? ? ? s o ? n i ? n / smith-SOH-nee-?n), or simply the Smithsonian, is a group of museums and education and research centers, the largest such complex in the world, created by the U.S. Government "for the increase and diffusion of knowledge". Founded on August 10, 1846, it operates as a trust instrumentality and is not formally a part of any of the three ...

Smithsonian Institution – Wikipedia

The Science of Consciousness (TSC) conference takes place in Tucson every two years (alternating with conferences elsewhere). In 2020, the conference was online, and for April 18-22, 2022 we held a 'hybrid' conference with both live in-person, and remote online presentation and audience, live streamed. The live sessions and remote headquarters were held at Loews Ventana Canyon Resort.

The Center for Consciousness Studies
