NYS Earth Science Regents Exam Information | Study.com

I am kind of confused here. I am a very good student in my Earth Science class (My average is usually high-90's), but all of the past Earth Science regents that my class has taken as practice have been really difficult. Everyone who I have asked that took the test last year said it was really easy. A lot of astronomy questions were asked on the past regents, and my class didn't learn that ...
