**Here is an updated version of the \$domain website which many of our East European book trade customers have been using for some time now, more or less regularly. We have just introduced certain upgrades and changes which should be interesting for you. Please remember that our website does not replace publisher websites, there would be no point in duplicating the information. Our idea is to present you with tools that might be useful in your work with individual, institutional and corporate customers. Many of the features have been introduced at specific requests from some of you. Others are still at preparatory stage and will be implemented soon.**

The basic movie reference books are filled with definitions of terms like closeup and auteur theory. Nobody needs to know those words. What you need is Ebert's Glossary of Terms for the Cinema of the 1980s. What follows is an attempt to compile such a list -- a practical, everyday guide to enhance your moviegoing pleasure, and help you categorize what you find on the screen.

**Ebert's Glossary of Movie Terms is a collection of tropes, written by Roger Ebert (with several entries contributed by Ebert's readers and fellow critics, including longtime reviewing partner Gene Siskel). It makes for quite an interesting read for the modern troper, as he wrote it decades before the existence of TV Tropes, but noted many of the same tropes, though often with a different name ...**
