bol.com | The Ecclesiastical History of the English People ...

What with it being an "ecclesiastical history", it is obviously mainly concerned with the early history of the English church, and as a source of information on this subject in particular it excels, although it is obviously at times coloured by Bede's own beliefs and as a result has certain events omitted. The book does on occasion seem preoccupied with such things as the true date of Easter and the true date of the birth of Christ.
