**Home - Eclipse Dev LLC**

Self-Development is taking personal responsibility for one's own learning and development through a process of assessment, reflection, and taking action. The aim of self-development is to achieve your full potential whether that be in your professional or personal life.

**Eclipse Of Self: The Development of Heidegger's Concept of ...**

Zimmerman presents in the book an account of the development of the notion of authenticity in Heidegger. Broadly construed, being authentic means, for Zimmerman, being what one "already is" - namely, removed from egoistic illusions of security and self-control, while remaining the open finitude, the constituting nullity (Ab-grund) that lets Being manifest itself.
