Guide for authors - Ecological Economics - ISSN 0921-8009

Ecological Economics. The Transdisciplinary Journal of the ISEE. The journal is concerned with extending and integrating the study and management of "nature's household" (ecology) and "humankind's household" (economics).

Open access options - Ecological Economics - ISSN 0921-8009

The main purpose of the journal is twofold: to encourage (1) integration of theoretical studies and policy studies on environmental issues and (2) interdisciplinary works of environmental economics, environmental policy studies, and related fields on environmental issues. The journal also welcomes contributions from any discipline as long as they are consistent with the above stated aims and purposes, and encourages interaction beyond the traditional schools of thought.

Ecological Economics | All Journal Issues | ScienceDirect.com

The journal is concerned with extending and integrating the study and management of "nature household" (ecology) and "humankind household" (economics). This integration is necessary because conceptual and professional isolation have led to economic and environmental policies which are mutually destructive rather than reinforcing in the long term.
