At dinner you get your father's advice on whether you should take an economic or political science class to meet a requirement. The next day when you see your father, you say "I decided on economics." Your dad says, "Good choice son. I can tell you've thought about what we discussed." His response indicates that he is considering _____.

BOF and EAF Steels: What are the Differences? - Economics 243 Fall 2018

The gain (computed as proceeds minus the book value) appeared on the income statement and increased the company's net income. However, the entire proceeds from the sale of a company's assets are shown in the investing section. In order to avoid double-counting the gain, the gain must be subtracted from the net income amount appearing in the operating activities section of the statement of cash ...
