The English Reformation (Henry VIII and the Church of England)

The English Reformation was a series of events in 16th-century England by which the Church of England broke away from the authority of the Pope and the Roman Catholic Church. These events were, in part, associated with the wider European Protestant Reformation, a religious and political movement that affected the practice of Christianity across western and central Europe.

Protestantism - The Reformation in England and Scotland ...

Elizabeth is presented as something of a cipher, careful to maintain her public image, often a reactor to events rather than an agent or decisive ruler; England itself, however, is markedly changed by the end of her reign, its monarchy strengthened despite (and even because of) the succession question, its Protestantism firmly embedded within its sense of nationhood.

Discuss the English reformation. Include the roles of King ...

Queen Elizabeth I The Elizabethan Religious Settlement is the name given to the religious and political arrangements made for England during the reign of Elizabeth I (1558-1603) that brought the English Reformation to a conclusion. The Settlement shaped the theology and liturgy of the Church of England and was important to the development of Anglicanism as a distinct Christian tradition ...
