List of cities and towns in California - Wikipedia
Before Disneyland, Atlantic City was the first great middle-class resort in the nation, especially the Philadelphia region. From its founding in the 1850s through the early decades of the twenty-first century, Atlantic City succeeded and failed based on its ability to make itself in the image of the American middle class.

Cities And Towns | Encyclopedia.com
Cairo, city, capital of Egypt, and one of the largest cities in Africa. Cairo has stood for more than 1,000 years on the same site on the banks of the Nile, primarily on the eastern shore, some 500 miles (800 km) downstream from the Asw?n High Dam.

Encyclopaedia Of Cities And Towns
Large towns acquired communal defences and chartered privileges, and London rapidly acquired a unique status as a capital city and the only British town comparable to the great continental towns. Its population may have reached 80,000-100,000 by 1300, while towns as a whole may have accounted for 15 per cent of the English population; the proportion was much lower in Wales and Scotland.

List of cities and towns - Bulbapedia, the community ...
The growth of the cities during the Industrial Revolution created filthy slums where crime, ill-health and vice flourished, and a new kind of poverty reigned; thus even the most devoted disciples of progress can and do lament the state of the industrial city, which has little in common with such utopian city-states as Tommaso Campanella's City of the Sun (1637) or the cities of L S Mercier's ...

Encyclopedia of the Great Plains | Cities and Towns
Alpena is a town located predominately in western Boone County, although the town has, since the 2000 census, recorded some of its population also living across the county line in Carroll County. Created by the railroad early in the twentieth century, Alpena is on U.S. Highway 62 and is home to about twenty small businesses.

The City | Encyclopedia.com
City, relatively permanent and highly organized centre of population, of greater size or importance than a town or village. The name city is given to certain urban communities by virtue of some legal or conventional distinction that can vary between regions or nations.

Counties, Cities, and Towns Archives - Encyclopedia of ...
The long distances between towns and the low population densities within so much of the region dictate that its towns and cities fulfill only a restricted range of economic and social functions, and customers seeking advanced services such as high-tech medical attention, wider consumer choice, and major sporting events often need to travel to the large cities on the region's margins to obtain ...

Encyclopedia of the City - Google Books
The City as Cultural Center. In the modern conception of the word city — characterized by the size, the aggregation of housing, differentiated division of labor, and the density of interaction — the first cities appeared in Mesopotamia around 10,000 b.c.e. and most clearly by 3,000 b.c.e. The great city of Babylon marked the coming of age of civilization, characterized by an urban culture ...

List of cities and towns in India | Britannica
The Rise of Cities. Whenever the Sumerian civilization was first established in the region, by 3600 BCE they had invented the wheel, writing, the sail boat, agricultural processes such as irrigation, and the concept of the city (though China and India also lay claim to `the first cities' in the world). It is generally accepted that the first cities in the world rose in Sumer and, among the ...
