Stir the sore tooth with a needle until it draws blood; then take a thread and soak it with this blood. Then take vinegar and flour, mix them well so as to form a paste and spread it on a rag, then wrap this rag around the root of an apple-tree, and tie it very close with the above thread, after which the root must be well covered with ground.

Anglo-European folk medicine was also based on practicality and availability. Remedies were made from sugar, kerosene, whiskey, vinegar, or soda. Medicinal plants such as mullein, used to treat respiratory ailments, were cultivated by pioneer families, who also used plants such as sassafras, willow bark, or yarrow to treat illnesses of the blood and organs.
